MIYAMURA

Artrider

From the Executive Director of CERF+

Thank you for attending the first annual CraftNEWYORK! CERF+ (Craft Emergency Relief Fund + Artists' Emergency Resources) is honored to be the beneficiary of this exemplary new show.

For over twenty-five years, CERF+ has provided emergency relief support and career-strengthening programs to hundreds of craft artists throughout the United States. As you tour this show and meet some of our nation's finest craft artists, you will understand why we care about safeguarding and sustaining their careers. Their ability to transform materials into objects of great beauty is inspiring.

We thank our friends at Artrider Productions for making CERF+ the recipient of your entry fee to the show. These funds will provide emergency relief assistance to craft artists facing career-threatening emergencies such as: fire, theft, natural disaster, and illness. These funds will also help us work with artists to lessen or avoid altogether the impacts of emergencies.

Please visit the CERF+ booth during the show to learn more about our work. Also, make sure to watch for the "Benefit in a Booth" signs in select exhibitors' booths. These artists have identified a piece in their booth that, if it sells, a portion of the proceeds will be donated to CERF+.

I hope that you enjoy the show and come away with some wonderful purchases. You can be assured that they will be truly one-of-a-kind. Thank you for your support!

Sincerely yours,

A handwritten signature in black ink that reads "Cornelia Carey". The signature is fluid and cursive, with the first name being more prominent.

A SHOW & SALE TO BENEFIT CERF+

APRIL 1, 2, 3, 2011

FLOOR PLAN

CERF+'s (Craft Emergency Relief Fund + Artists' Emergency Resources) mission is to safeguard and sustain the careers of craft artists and to provide emergency resources and services that benefit all artists. CERF+ is a non-profit, tax-exempt organization and is the only one of its kind in the United States. CERF+ accomplishes its mission through direct financial and educational assistance to craft artists, including emergency relief assistance, business development support, resources and referrals on topics such as health, safety, and insurance. CERF+ also advocates, engages in research, and backs policy that supports artists' careers.

ARTRIDER Productions Inc. has produced events since 1982 and has demonstrated a longstanding commitment to the craft and arts communities, raising funds for CERF+, the Guilford Art Center and more than \$3 million for the National Trust for Historic Preservation. In addition to CraftNewYork, Artrider produces CraftWestport for the Westport Young Woman's League, the Guilford Craft Expo for the Guilford Art Center, Crafts at Lyndhurst for the National Trust for Historic Preservation and CraftMorristown.

Each craft artist represents an individual business. Artrider Productions Inc. and CERF+ assume no responsibility for transactions, orders, guarantees, warranties, etc., made between the purchaser and the artist.
PHOTOGRAPHY AND VIDEOTAPING IS FORBIDDEN WITHOUT PERMISSION.

THERE'S A FINE LINE BETWEEN PRICELESS AND WORTHLESS.

Artist Hiroshi Ogawa's Oregon studio — destroyed by fire, 2003

What would you do if you lost your work, your tools, your images, and a lot more to a fire? Oregon potter Hiroshi Ogawa had always thought of fire as an ally, until his studio burned to the ground. CERF+ can help you learn how to protect your career from crossing that fine line.
